PRINCIPAL'S MESSAGE

RICE DAY. The Student Council will lead a service project that will impact our understanding of the world. They researched poverty and hunger, and decided to lead a Rice Day. In solidarity with people all over the world who go hungry every day, while we are at school on Tuesday, we will only eat a bowl of rice. This is a fitting activity for Holy Week. On Friday, March 23, at 9:00, grades 2 through 8 will participate in an assembly to

raise awareness of global poverty. Then, on Tuesday, March 27, students will be asked to bring a bowl and a spoon, and no snack. Of course, this activity is optional. If you do not wish your child to participate, you can send a lunch, or order hot lunch. We will also line up to receive our lunch, in solidarity with the 65 million refugees in the world today. If you would like to help with Rice Day, please contact Mrs. Rutherford.
