

Dear Parents of ICRS students,

For the Student Council Halloween activity, we are going to have a candy hunt. Kindergarten-4th grade are going to have it during their last recess at 1:30pm. 5th grade-8th grade are going to have it during their lunch recess at 12:00pm. The candy hunt will be held on October 31 and in order to participate, students must bring a can of food that will be donated to the Tri-Parish Food Bank. The student council will hide and scatter candy throughout all the wood-chipped areas of the playground and each participating student will get to hunt for three pieces of candy. 5th-8th graders will be put into partners and their hands will be tied together as they run and find candy. K-4th graders will just be able to run and find candy without any added challenges. So please remember to have your child bring a can of food to school by October 31 to participate. Thank You.
